

Equal arms. Crisp inner corners.

P over X / matching arm lengths / rounded ends

Based on your third sketch. Editable vector geometry; no embedded image.

Four versions, one family.

01 / Original

01b / Matched radii

02 / Raised loop

03 / P over X

Set `LOGO_VERSION` in `game_config.py` to 1, "1b", 2, or 3.

Two letters. A shared diagonal.

Outlined X diagonal

Solid capital P

Combined monogram

The P's stem forms one arm of the X. Its bowl and counter turn with the stem.

All four arms share one length. Rounded ends; sharp inward corners at the crossing.
